## **Audition Materials - Enclosed, Revised and Up-to-date**

Please copy the master set for your individual students as needed

## **School Application**

Please fill it out and bring with your school fee December 7.

**Student Application**

Please duplicate the student applications as needed. Stress neatness on the form, as this will be our information for the concert program. Enclose one application for each student, and be sure that all information is complete. Students who tryout on more than one instrument must submit separate applications and taping fees.

**Recording Procedures**

Recordings are to begin with the student giving his/her first then last name, school and instrument. Perform the scales in order (MINIMUM quarter note = 92), and follow with the solo. SOLOS AT MARKED TEMPOS. Each student is to say END at the completion of the solo. Each student is to have his/her own tapes/CDs.

DO NOT PUT MULTIPLE STUDENTS ON ONE TAPE/CD, EVEN IF THEY ARE THE SAME INSTRUMENT. REWIND ALL TAPES!!! Please review and listen to all tapes/CDs yourself before submitting them. We have found that the material was not recorded in the proper order in some cases, or was not clearly audible.

It is important that all directors come with tapes to Emerson in Davis on MONDAY, December 6, 2010 at 4:00 P.M. to listen to tapes/CDs. If you must miss this important event, have all tapes/CDs and applications to KEN HOLCK by FRIDAY, DEC. 3, 2010 at the latest. That means you must have them in the mail a week prior to ensure them being in Woodland on time. Honor Band folders will be available for you to take back to your students at this time. THEY WILL NEED TO PRACTICE IT. IT WILL BE YOUR RESPONSIBILITY TO PICK UP THE FOLDER (S) FOR YOUR SCHOOL. THEY WILL NOT BE MAILED.

Sincerely,

Ken Holck, Communications
